Who we are

Orca Marine Services was born in 2014 from a partnership between a local launch service and a local logistics group. The partnership was aimed at providing both entities with a wider scope of maritime related services. The name for this joint venture, Orca, was carefully selected to reflect the group's commitment to sustainable and environmentally friendly practices, consistent quality in customer service delivery and leadership in all things marine related.

Our Vision

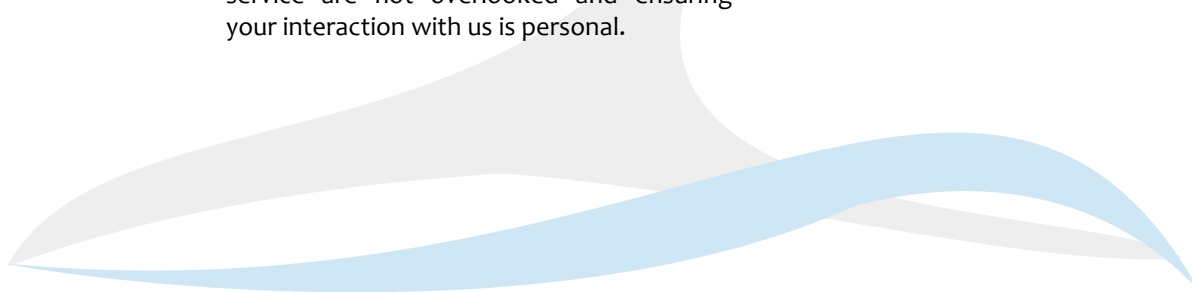

- ❖ It is our main objective to become the leader in marine services in Namibia, through the use of the best equipment available as well as having motivated staff which are incentivized to provide a world class service. The highest priority of our company is safety, in order that your journey with us will be a pleasant one.
- ❖ We consult with our clients on a regular basis in order to ensure that you are satisfied with our service and also listen to your concerns and requests, this helps us to plan the development of our business in a direction which is in accordance with what is required by yourselves.
- ❖ Our mind-set is to always keep this business a small business no matter how big it may get ensuring that the smaller details of service are not overlooked and ensuring your interaction with us is personal.

- ❖ We cannot be successful without you.

Our Management and Staff

Our management & staff are our greatest assets, our operations management team has operated together for a period of over 10 years and has during this time refined their method of management ensuring an efficient operation.

All staff are suitably trained when initially employed and thereafter retrained to our standard.

Services

Orca Marine Services provides a dedicated marine service within the port of Walvis Bay. As part of the Manica Group of companies, Orca Marine Services enjoys access to ships agency services, complete logistics support, bunkering, chandelling and marine lubricant supplies. Orca's services include:

❖ CREW TRANSFERS

- Full ship to shore crew changes with high safety standards.

❖ FRESH SUPPLIES

(food, water, vegetables, fruit etc)

- All provisions are handled with the utmost care as to guarantee customer satisfaction.
- Provisions are insured to a limit when in transit.
(Please see rates for insurance values).

❖ SHIP SPARES, OIL AND LUBRICANTS

- All spares etc, are handled with the utmost care as to guarantee customer satisfaction.
- Insurance is provided when in transit, if we do not have enough coverage for valuable items, at your request, we will make sure it gets the correct cover required.

❖ EMERGENCY MEDICAL ASSISTANCE

- Trained outsourced professionals accompany our crew on board our

vessels to ensure the fastest and most efficient emergency assistance.

❖ CRANE & EQUIPMENT HIRE

- All equipment hire to support launch operations can be hired at short notice.
- If you require any marine related service not mentioned above, please give us a call and we will do our best to assist you.

Insurance & Safety

Insurance

We carry the following insurance cover:

- ❖ Public liability and/or third party insurance US\$ 10 000 000
- ❖ Customer goods, (in transit), insured up to a value of NAM\$ 50 000
- ❖ In the event that a client requires additional insurance for specific goods or items, additional insurance can be obtained on behalf of the client at cost plus 2%.
- ❖ If additional insurance is required a 24hr notice period must be given prior to the launch departure.

Safety

Orca Marine Services prides itself on its spotless safety record. All our vessels are well maintained and equipped with the latest communications and navigational equipment.

- ❖ We operate to international safety standards and have safe work procedures for all launch service operations. Internal safety audits are carried out on a regular basis to ensure we operate in a safe manner. Safe work procedures are available upon request.
- ❖ Passengers receive a pre-trip safety briefing as well a clear instruction to ensure a safe journey.

Rates

Rates

Rates are:

- ❖ Exclusive of VAT.
