Woker Freight Services

...one-touch air freight solutions...

Airfreight is fast-moving, challenging and constantly changing. This is where WFS thrives in creating a one-touch air freight solution that is hassle-free, cost-effective and always on time!

ABOUT WFS

- One of the oldest and most experienced logistics companies in Southern Africa since 1924.
- Offices in Walvis Bay and Windhoek, with hangar space at the Walvis Bay airport.
- 70 highly skilled staff with a passion for logistics.
- All-inclusive portfolio of logistics, freight, supply chain management and marine services to any type or size of cargo.
- Preferential contractual rates. Ties with the major shipping lines, transporters and airlines for flexible price negotiation locally, or internationally through network partners.

ADDED VALUE

- International links with freight agencies to ensure cargo reaches its destination in time and at the lowest possible cost.
- ISO 9001, IATA and FIATA accredited. Comply with all statutory and international safety and quality standards.
- Affiliated to regulatory and international logistics entities, incl: WBCG, WBPUA and Namibian Logistics Association.
- Key-account management services.
- State-of-the-art global track and trace systems to update customers on the status and whereabouts of their cargo.
- Ample warehousing space (general & bonded)
