

since 1924

Woker Freight Services

...one-touch logistics solutions...

We ship, import, clear and transport any type of cargo to any destination. Experience a one-touch logistics solution. Hassle-free, cost-effective and always on time!

ABOUT WFS

- One of the oldest and most experienced logistics companies in Southern Africa since 1924.
- Based in Walvis Bay, close to the port. Offices in Windhoek, support offices in Lüderitz and border representation.
- 70 highly skilled staff with a passion for logistics.
- All-inclusive portfolio of logistics, freight, supply chain management and marine services to any type or size of cargo.
- Specialise in cross border, corridor and project freight, imports and exports to and from Southern African countries.
- Preferential contractual rates. Ties with the major shipping lines for flexible price negotiation locally, or internationally through network partners.

ADDED VALUE

- International links with freight agencies to ensure cargo reaches its destination in time and at the lowest possible cost.
- ISO 9001, IATA and FIATA accredited. Comply with all statutory and international safety and quality standards.
- Affiliated to regulatory and international logistics entities, incl: WBCG, WBPWA and Namibian Logistics Association.
- Key-account management services. You deal only with one central agent to address all your needs and enquiries swiftly.
- State-of-the-art global track and trace systems to update customers on the status and whereabouts of their cargo.
- Access to modern transport fleet, materials handling equipment.
- Ample warehousing space (general, bonded, underroof and open air.)
