Welcome to the world of Bidvest Namibia
Bidvest Namibia is a Namibian services, trading and distribution company listed on the Namibian Stock Exchange. We employ more than 3,200 people and our roots are firmly Namibian. In a big business environment we run our company with determination and commitment evident in a small business heart.

We believe in empowering people, building relationships and improving lives. Entrepreneurship, incentivisation, decentralised management and communication are key ingredients to our success.

We subscribe to a philosophy of transparency, accountability, integrity, excellence and innovation in all our business dealings. We turn ordinary companies into extraordinary performers, delivering strong and consistent shareholder returns in the process.

But most importantly, we understand that people create wealth, and that companies only report it.
