Rennies Consolidated

A PASSION FOR WAREHOUSING

We provide multi-user storage facilities secured with advanced surveillance systems and with access to railway sidings.

ABOUT RENNIES

- Part of one of the oldest and most experienced logistics companies in Southern Africa.
- Various warehouses and storage areas in Walvis Bay, close to the port.
- A highly skilled staff compliment of more than 150 skilled people.
- We offer an all-inclusive portfolio of warehousing, storage, transport, cargo handling, logistics, freight and supply chain management services.
- Multi-user facilities and services. Client information and projects are treated with the highest confidentiality.
- Staff undergo regular safety, dangerous goods handling and defensive driving training.

ADDED VALUE

- Innovative cargo handling, storage solutions and equipment.
- Affiliated to a number of regulatory and international logistics entities, such as Walvis Bay Corridor Group, the Walvis Bay Port Users Association and the Namibian Logistics Association.
- Key-account management services; so you deal only with one person to address all your needs and enquiries swiftly.
- Computerised storage management systems.
- Inventory control service for consignment cargo.
- Certified to handle dangerous goods.
- 24/7 Security and CCTV surveillance and alarm systems.
